## **Instruction for translation FEG Buchs - iOS**

1. Connect with the WiFi from FEG Buchs with this informations:

WiFi-name:	Alvier no savety	
WiFi savety:		
Voucher Code:	ask the technicians for the code	

2. Scan this QR-Code or search manually for the app and download the app "Mumble".

**iOS App** Mumble

- 3. Now open the app.
- 4. Select «Favourite Servers» in the menu. After this you select the «+»-symbol on the top right to open «Edit Favourite». Now you have to fill in the information you see on the third picture (no password):

5. Confirm those information with «Done». Now click on the server and select «connect» to connect your phone with it. After this you can slect your language. Done!
